PHA held its monthly meeting on October 11, 2018 at 7:00 pm with 45 members in attendance and 4 new interested members. The meeting was held under the direction of the Club President, Ray Owens, at Ocean View Seafood.

This meeting was opened with the saying of the Pledge of Allegiance to the American Flag and the thanking of our Lord with a short prayer.

## NEW BUSINESS

1. Eleven members of the Board did eat and meet at the Ocean View restaurant. The Room they have will seat 100 people. It is an enclosed room. The Board was unanimous in voting to have the meetings there and we should start in November. (Address is 1803 Cotton Grove Rd, Lexington)

Motion by Cody Reed to move the monthly PHA meeting to the Ocean View restaurant.

2<sup>nd</sup>. Discussion. All approved.

2. Video's and pictures were taken at the range of the bridge area at the 100-yard range. These can be viewed after the meeting if anyone would like to view them. Debris was caught in the tubes under the bridge that caused the water to overflow the bridge. We need to get the tractor and get the debris out of there. It is on the program to fix this bridge as well as the bridge at the high-power range. There is erosion at both bridges.

3. Service Awards.

- a. To Neil Evans for Presidential Service – 2015-2018.
- b. To Ron Gearren for Officer/Board Service – 2011-2018
- c. To Gerald Morgan for Officer/Board Service – 1990-2018

Motion by Ray Owens to make Gerald Morgan an Honorary Board member for life. 2<sup>nd</sup> by Kenney Vanadore and Ernie Smith . Discussion. All approved.

4. Bokie Sherk has set up a Facebook Page for the shotgun matches. If any other Match Directors want to get their match on Facebook, let Bokie know and he will help to get your match on FB.

5. As members of the club, new as well as old, it's as much your club as it is anybody else's. So, if your down at the range and something doesn't seem quite right, question it. If you don't want to question them, get a name or a tag number. We think there have been some people conducting training without paying the club fees. So, if you see people with B27 targets set up in other than the training bay, get a tag number or a name and we will check them out to be sure they are paying the proper fees.

And a reminder that we do have a policy against fully automatic weapons or anything that simulates a fully automatic weapon. If you see this, get a name or a tag number. Everyone is supposed to have their membership badge on. And let us know. It is a big safety issue.

6. Pay attention to the locks. Make sure the gate is locked when you get there and locked when you leave. Locks will be changed at the end of October. Please roll all the numbers on the locks when re-locking them.

Austin is checking into gate locks that use RFID technology.

7. For all members, please make sure we have your email address on file. If you don't have email, let us know and we'll work out another way to get in touch with you. We're going to email out newsletters. We will post them on the bulletin boards at the Range, on the PHA Web site, and on the FaceBook page so that you can read them there.

Meeting closed at 7:25 pm.
