Fred Sink made a motion to table the initial motion until the Board meets and eats at the Ocean View restaurant before the next Monthly meeting. Seconded. Discussion. Austin to send out an email to the members inviting them to eat with the Board at the Ocean View restaurant. President Ray tabled the first motion. 6) Dick Jones suggested sending out an email on Friday, September 14, 2018 to the membership to let them know whether or not there will be a clean-up day on Saturday, September 15, 2018.
- 6) Many new members coming into PHA. And we don't know all the new members and they don't know us. I'm proposing that the current members wear their PHA name tags and have a name tag prepared to the new members so that we can introduce ourselves easily to new members and they, in turn, can try to meet us as quickly as possible. A good idea for everyone to start wearing their badges to the monthly meeting.

- 7) Roger Reese. We took up a collection last month for Ron Gearren. We collected \$725 and PHA matched the \$725 for a total of \$1450. I received a thank you note from Ron and Sheila.
- 9) Neil Evans. A reminder that on the 13th of October, Kelli and Dan Anderson will have the second annual vintage military/rifle/pistol match. The tactical bays and high power range will be closed down for that match. 1945 or older rifles or clones and any pistol as long as there is no more than 7 rounds. Info on web site. They also need Range Officers to help. Needs 10 people.
- 10) Neil Evans. Reminder that full auto firearms are not on our range. Bump stocks, binary triggers, class 3 firearms or anything that simulates or clones a full auto gun, is not allowed on our range.
- 11) Jon Sudduth. Jon is building a new web site and wants new pictures for the web site. So if you have any pictures taken at the range, he would be interested in those.
- 12) Dick Jones. Talked about the grading project behind the 100 yard range and pistol bays and the building above. Dick has a quote from Earth Works for \$28,760. He is waiting for another bid from Bruce Wrenn.

Meeting closed at 7:40 pm.
